SKILLS

Critical/Logical Thinking

- Can investigate and solve problems efficiently and independently as demonstrated in my web developer position with IDEAWORKS
- Successful completion of timed in-class practical exams (full functionality of proposed programs)
- Split-second decision making while refereeing and while coaching sailing

Leadership, Planning, Organizing & Time Management

- Project manager of 3rd year Software Engineering and 4th year Capstone projects at Sheridan
- Leader in group projects, making realistic goals that can be met on-time and ensuring everyone's ideas are heard and reasonably considered for the project
- Completed assigned tasks well before the deadline as a web developer with IDEAWORKS
- Being a sailing coach required me to make my own lesson plan and organize activities and drills on and off the water for 20 kids
- Referee assignor for 2 organizations, 300+ games and 20 referees

Dependable

Am known as a reliable employee, always doing my best to help when employers are stuck and will always follow through with the commitments that I've made regardless of the situation.

EDUCATION

Honours Bachelor of Computer Science (Mobile Computing)September 2015 – Present

WORK EXPERIENCE

Front-End Web Developer/QAJanuary 2018 – September 2018

IDEAWORKS, Mohawk College, Hamilton, ON

Worked closely with a team of 4-5 developers creating the 'ICON' family of web applications for the Ontario Public Health Units and the Ontario Ministry of Health. Primary technologies used were Angular 4, HTML, CSS, and JIRA for project management. I worked independently, providing daily reports to senior developers. I participated in requirements and weekly meetings with the clients, project managers and the rest of the development team.

Hockey RefereeSeptember 2010 - September 2017

Ontario Minor Hockey Association, Southern Ontario

Responsible for all persons on the ice following Hockey Canada rules and regulations. Split second decision-making, professionalism and maturity are key.
